

CURRICULUM VITAE
Robin Buntz Harris

PO Box 245024
1295 N. Martin
University of Arizona
Tucson, AZ 85724
Tel: (520) 626-5357
Fax: (520) 626-5348
e-mail: rbharris@email.arizona.edu

CHRONOLOGY OF EDUCATION

| | | |
|------|---|--|
| 1970 | B.A. Biology | Mills College, Oakland, CA. |
| 1973 | M.P.H. | University of Texas School of Public Health; Houston, TX. |
| 1976 | Graduate Summer Session in Epidemiology | University of Minnesota |
| 1986 | Ph.D. Epidemiology | University of Washington School of Public Health and Community Medicine; Seattle WA. |

Dissertation: Is angina pectoris a predictor or definition for atherosclerotic coronary heart disease? A determination of the differences between men and women in meaning of angina pectoris. Advisor: T. Koepsell.

| | | |
|-----------|-------------------------|---|
| 1986-1987 | Postdoctoral Fellowship | Center for Research in Disease Prevention; Stanford University, Stanford, CA. |
|-----------|-------------------------|---|

CHRONOLOGY OF EMPLOYMENT

| | |
|-------------------------------|---|
| September 1970-September 1971 | Research Technician, Department of Virology Baylor College of Medicine; Houston, TX. |
| October 1972 - January 1974 | Research Assistant, Center for Demographic and Population Genetics, University of Texas Health Science Center; Houston, TX. |
| June 1974 - January 1977 | Coordinator, Lipid Research Clinics Prevalence Study, National Heart, Lung, and Blood Institute; Bethesda, MD. |
| August 1977- December 1978 | Instructor in Epidemiology, University of Tehran School of Public Health; Tehran, Iran |
| July 1981 - June 1986 | Research Assistant, Stanford Center for Disease Prevention, Stanford University; Stanford, CA. |
| July 1987 - May 1989 | Research Associate, Stanford Center for Research in Disease Prevention, Stanford University; Stanford, CA. |
| May 1988 - May 1991 | Research Associate, Division of Epidemiology, Stanford University; Stanford, CA. |
| August 1991-August 1992 | Research Associate, Arizona Cancer Center, University of Arizona Health Sciences Center; Tucson, AZ |

| | |
|--|---|
| December 1994 – June 1998 | Research Assistant Professor, Arizona Prevention Center, University of Arizona College of Medicine; Tucson, AZ |
| July 1998 – June 2003 | Assistant Professor in Public Health, Arizona Prevention Center and College of Public Health, University of Arizona; Tucson, AZ |
| April 2003-October 2005 & March 2007-June 2012 | Chair, Epidemiology Graduate Program and Epidemiology Section; Mel and Enid Zuckerman College of Public Health, University of Arizona, Tucson, AZ |
| July 2003 – June 2012 | Associate Professor of Public Health, Mel and Enid Zuckerman College of Public Health, University of Arizona, Tucson, AZ |
| July 2012 – present | Professor of Public Health, Mel and Enid Zuckerman College of Public Health, University of Arizona, Tucson, AZ |

HONORS AND AWARDS

United States Public Health Service Trainee Grants, 1971-1972 & 1979-1981
 Excellence in Teaching and Commitment to Public Health Award from Public Health Alliance students, May 2001; University of Arizona College of Public Health
 Member, Delta Omega Society, 2004
 Excellence in Community-engaged Scholarship and Practice in 2009, Zuckerman College of Public Health, May, 2010
 Faculty Excellence Award, Women in Science and Engineering, University of Arizona, 2013

SERVICE

A. Outreach

1. Local/state

Consultant to Tucson Alliance for Medical Excellence for survey of Tucson physicians on attitudes about managed care, 1996-1998.
 Team Member: maternal and child health needs for Mohave County, AZ, 1996-1997 & 1999.
 Melanoma Task Force, Tucson, 2000-2003.
 Member of Green Valley Health and Human Services Committee, 1998 to 2005.
 Promoting Healthy Lifestyle Taskforce: *Walk Across Arizona* campaign, 2000 to present
 Consultant: evaluation of Casa Community Center program for seniors, Green Valley, Arizona, 1999-2000.
 Pima County Osteoporosis Task Force. Co-leader of Bone Builders for Pima County (CHAPS project), 2000 to 2005.
 Governor's Office for Children, Youth and Families. Arizona Strategic Prevention Framework State Incentive Grant (SPF SIG) – Advisory Council, 2005 to 2008
 Governor's Office for Children, Youth and Families. SPF SIG - Epidemiological Work Group, 2005 to 2008

2. National

Rocky Mountain / Southwest Maternal and Child Health Public Health Summer Institute. Epidemiology in Maternal and Child Health, 1999

B. Citizenship

1. Intramural

a. Departmental

Epidemiology Graduate Program Faculty, 1995 to present
 Epidemiology Executive Committee: Member, 1995-2002

Chair, Epidemiology Graduate Program (now Epidemiology Section), 2003-2005, 2007-2012
Academic Program Review, 1996-1997
Peer Review Committee, 2003
Qualifying Exam Committee: 1994-present
Curriculum Committee: Member, 2001 to present
Admissions Committee: Reviewer, 2000-2002; Chair, 2003-2006
Faculty coordinator for Epidemiology in Arizona poster forums, 2001-2009
Faculty coordinator for Student Epidemiologic Response Teams, 2005 to present
Chair Search Committees for Epidemiologist, 2005, 2010
Search Committee: Faculty Member for Epidemiologist, 2007

b. College of Public Health

Community Health Advancement Partnerships (CHAPS); Arizona Prevention Center/COPH -
Cooperative Extension Partnership: COPH leader of Pima County CHAPS, 1997 to present
Search Committee: Zuckerman Endowed Chair for Behavioral Lifestyles (APC), 1998
Search Committee : Rural Health Office Director, 2006-2007
Curriculum Committee, Graduate Program in Public Health, 1996-2000
Director of the Epidemiology Concentration, COPH, MPH Program, 2001 to 2003
MPH Program Committee, 2001 to 2003
Education Committee, 2003-2005, 2007 to present
Operations Committee, 2003-2005
Promotion and Tenure Committee, 2005 to 2011, 2013; Co-chair, mid 2006-mid 2011,2013-
Faculty Search Committees, 2012-2013

c. Arizona Cancer Center

Member: Arizona Cancer Center; Division of Cancer Prevention and Control, 1996 to present
Committee on Genetics, 1996-1998
Melanoma Working Group, 2000 to present
Scientific Review Committee, 2003-2006
Cancer Prevention and Control R-25 Training Grant, Advisory Board, 2006 to present
Co-Director, Skin Cancer Institute, 2005 to present

d. University of Arizona

Steering advisory committee of Arizona Clinical Research Training Program, 2000 to present
Development of faculty consortia between COPH, CALS, and CAPLA with focus on 'Healthy
Communities', 2000 to present
Faculty of the Gerontology Interdisciplinary Graduate Program, 2001-2005
University Senior Awards Selection Committee, 2002
Reviewer of College of Medicine faculty proposals, 2002
Member, Data Safety Monitoring Board: COM Grant: Efficacy of Healing Touch in Stressed
Neonates, 2004-2006
Member, IMSD Executive Council, 2004 to present
Reviewer for faculty seed grants, Fall 2006, 2009, 2010
Reviewer for pilot proposals, Southwest Environmental Health Center, 2007
Institutional Review Board Member, Biomedical Committee, 2006- present

2. Extramural

a. Grant Review Committees

Review for NIH: RFA-CA "Epidemiology of Ovarian Cancer", 1993
Review for NIH: RFP-NICHD "Fertility Drugs and Ovarian Cancer", 1994
Review for NCI: Skin SPORE grants, 2003
Review proposals for Irish Health Research Board: 2003
Review proposals: NIH Challenge Grants, 2009
Review proposal: National Institute for Health Research, UK, 2009

Review proposals & progress reports: Bankhead-Coley Research Programs, Florida, 2010 - 2013

b. Editorial - Journal Reviews

Controlled Clinical Trials
Human Reproduction
American Journal of Public Health
Archives of Internal Medicine
Preventive Medicine in Managed Care
Journal of the National Cancer Institute
Cancer Epidemiology, Biomarkers, and Prevention
Carcinogenesis
Annals of Internal Medicine
American Journal of Epidemiology
International Journal of Cancer
International Journal of Environmental Health Research
Journal of Exposure Science and Environmental Epidemiology

c. Consultant

Consultant: Health Services Research, Cedars-Sinai Medical Center; Los Angeles, CA., 1993-1994
Consultant: "Study of Medical Resource Utilization: Comparison of University Medical Center and Zhejiang Province, China" University Medical Center; Tucson, AZ, 1991-1994
Consultant with Abt Associates. Proposal development for protocol to evaluate completeness of melanoma cancer registration, 2002
Consultant with Medical Directions, Inc, 1998 to present
Evaluation of online medical education programming and SBIR proposal development
Rockman et al, Inc, San Francisco, CA. Review of dissertation review rubric, 2009

PUBLICATIONS / CREATIVE ACTIVITY

Peer reviewed journals

Scholarly Presentations (since 2003)

University symposiums and grand rounds

1. **Harris, RB.** Arizona College of Public Health and CHAPS. Presentation to the Cooperative Extension forum, November 2003
2. **Harris, RB.** Presentation to CPH Grand Rounds: “Creating University and Community Partnerships that Work”, March 2004.
3. **Harris, RB** and Rogan S. Presentation to CPC Grand Rounds: “Exploring Potential Association between Arsenic and Cancer”, November 2004.
4. **Harris, RB.** Grand Rounds Debate: Does sunscreen prevent skin cancer? – A Cautious Yes. Department of Medicine Grand Rounds, Tucson, AZ, November 2005.
5. **Harris RB,** Brown SB. Presentation to CPC Grand Rounds. Breast and Cervical Cancer Screening on the Hopi and Navajo Nations: Community-Based Research, April 2007.
6. **Harris, RB.** Presentation to SuperFund Colloquium, Southwest Environmental Health Sciences Center. Arsenic Exposure Study: Preliminary Results from Arizona and Sonora, August 2007.
7. **Harris, RB.** Presentation to the Pan Pacific Skin Cancer Consortium planning meeting. Tucson, AZ, March 2010.

National and International (since 2003)

1. Poschman K, Block L, **Harris RB,** Armstrong R, Yaffe K, Hongu N. Walk Across Arizona: The effects of a community-based walking program on maintaining physical activity in older adults. (**Harris presented**), American Public Health Association annual meeting; Oct 2008.
2. **Harris RB.** Arizona and the Skin Cancer Institute. Presentation at the International Skin Cancer Research Day, Brisbane, Australia, March 2011.
3. **Harris RB** and Whiteman D. Development of a Pan Pacific Skin Cancer Consortium. Presentation to Workplaces and Partnership Workshop at 1st International Conference on UV and Skin Cancer Prevention, Copenhagen, Denmark, May 2011.
4. **Harris RB.** Updates on the Arizona Skin Cancer Institute. Presentations to Queensland Institute of Medical Research and Queensland University of Technology, Brisbane, Australia, February 2013.

37. Kurzius-Spencer M, O'Rourke MK, Hartz V, Roberge J, Burgess JL, Hsu CH, **Harris RB**. Contribution of Dietary Inorganic Arsenic Intake to Urinary Arsenic Biomarkers. Conference - International Society of Exposure Science: Seattle, WA, 2012.

Special Reports (since 2003)

1. **Harris R**. Social Indicator Study – 2000 and 2001 Social Indicator Data for Arizona. Report to the Governor's Office for Children, Youth, and Families, December 2003 and June 2004.

2. Brown S, **Harris RB**. Report to the Hopi Tribe Breast and Cervical Cancer Prevention Program: Analysis of MDE Screening Data, 1997-2006. December, 2006
3. **Harris RB**, Brown S, Wen G. Report to the Navajo Nation Breast and Cervical Cancer Prevention Program: Analysis of MDE Screening Data, 1999-2006, December, 2006
4. Nuno T, **Harris RB**. Survey of Barriers to Breast Cancer Screenings among Navajo Women – Final Report. Presented to Navajo Nation Breast and Cervical Cancer Prevention Program. January, 2007.
5. Brown S, **Harris RB**, Nuno T. Hopi Women’s Health Survey, 2006-2007. Final Report. Presented to Hopi Women’s Breast and Cervical Cancer Prevention Program. November 2007.
6. **Harris RB**, Haenchen S. Report on Heart Disease Mortality, Morbidity and Risk Factors among Arizonans, 2006-2010. Report to Sarver Heart Center Education Committee, October 2012.
7. **Harris RB**, Koch S. Reporting Melanoma to Arizona Cancer Registry. Final Report to Arizona Department of Health Services, August, 2012.

Selected Community Presentations (since 2003)

1. **Harris, RB**. “The health and culture of Hispanic miners in Arizona”. Speaker, Voices from Our Community Series, Shared Service for Special Populations, Arizona Cancer Center. April 2004.
2. **Harris, RB**. Presentation to Green Valley Rotary Club, Green Valley, Arizona. Community Partnerships in Public Health, June 2006.
3. **Harris, RB**. Presentation to Director’s Circle, Skin Cancer Institute, Arizona Cancer Center, October 2006
4. **Harris RB**. Presentation to Tohono O’Odham Cancer Planning Committee. Binational Arsenic Exposure Study, June 2009.
5. **Harris RB**. Presentation to Day of Discovery at the Arizona Cancer Center. Skin Cancer Institute at the Arizona Cancer Center, September 2009.
6. **Harris RB**. Presentation to Bank of America Retirement Group of Arizona. What is an epidemiologist? March 2011.
7. **Harris RB**. Presentation to Tucson Lions Club. Skin Cancer in Arizona. May, 2011.
8. **Harris RB**. Presentation to 2013 Hopi Research Conference, Ethical Considerations for Research and Institutional Review Boards. Kykotsmovi, AZ, April 2013.

GRANTS AND CONTRACTS

Federal

Current

| | |
|---|-----------|
| Pilot Project: Cancer Screening among the Hopi People (Brown) | 2010-2013 |
| NIH/NCI: 5 Y54 CA096281-03 (Alberts) | \$240,000 |
| Comprehensive NAU/AZCC Cancer Research Partnership | |

| | | |
|---|---------------------|-----------|
| Co-investigator | 10% | |
| Texting Teens about Wellness and Skin Cancer NLM: contract Principal Investigator | \$226,000 3%-10% | 2010-2013 |
| Epidemiologic follow up study of newly diagnosed epilepsy among the elderly from different ethnic groups (Labiner) CDC SIP 10-039 Co-Investigator | \$1,275,603 5% | 2010-2013 |

Past

| | | |
|---|--|------------|
| Modeling Dietary Contributions to Arsenic Dose and Methylation: Elucidating Predictive Linkages. EPA- STAR RD 833992 (Burgess) Co-Investigator | | 2008-2011 |
| Chemoprevention of Skin Cancer Program Project NIH/NCI: PO1 CA27502 (Alberts) Co-Investigator | | 2004-2010 |
| Exploring potential relationship between arsenic and cancer NIH/NCI: P50 CA 95060 (Gerner) Co-Principal Investigator of Supplement to GI-SPORE | | 2004-2009 |
| Chemoprevention of lung carcinogenesis using green tea NCI/U01-CA-101204-01 (Hakim) Co-Investigator | | 2003-2009 |
| A dietary intervention to study the effects of tea consumption on smoking-related oxidative stress DOD: PR023104 (Hakim) Co-Investigator | | 2003- 2008 |
| Prevalence of epilepsy along the Arizona –Mexico Border AAMC/CDC 2005-R-03 (Labiner) Co-Investigator | | 2005-2008 |
| Pilot Project: Breast and Cervical Cancer Screening among Women on the Hopi & Navajo Reservations (Harris) NIH/NCI: 5 Y54 CA096281-03 (Canfield) Comprehensive NAU/AZCC Cancer Research Partnership | | 2005-2007 |
| caBIG-CTMS-27-01-01 (Harris) Subcontract with Booz Allen Hamilton for NCI C3D Module Adopter Principal Investigator | | 2005-2007 |
| Human Papillomavirus (HPV) Detection in Asymptomatic Men AAMC-CDC (Giuliano & Harris) Principal Investigator for Year 3 | | 2002-2005 |
| Use of GIS in analyzing environmental cancer risks NIH: CA92680-01 Principal Investigator | | 2001-2005 |

| | |

| Hopi Women's Health Program: Planning Grant (Harris) NIH/NCI: 5 Y54 CA096281-03 (Canfield) Comprehensive NAU/AZCC Cancer Research Partnership | 2004-2005 |
| Chemoprevention of Skin Cancer Program Project NIH/NCI: CA PO1 (Alberts) Co-Investigator | 1998-2004 |
| Supplement to Program Project: Evaluation of Skin Cancer Registry NIH/NCI: CA PO1 (Alberts) Principal Investigator of supplement | 2001 |
| Development of a Melanoma Family Registry Seed grant from Training Program at the CPC Arizona Cancer Center (NIH/NCI core funds) Principal Investigator | 2001 |
| Structure-Function Relationships of Environmentally Relevant Genetic Variants. NIH ES-98-007 (O'Brien) Principal Investigator of subcontract | 1999-2001 |
| Exercise and Bone Mineral in Post-Menopausal Women NIH: AR39559 (Lohman) Co-Investigator | 1998 -2001 |
| Cutaneous Melanoma in Arizona: Identification of Kindreds (Harris) NIH: CA7713801 Principal Investigator | 1997-1999 |
| Skin Cancer among Predisposed Individuals NIH/NCI: 1RO3CA78192-01(Foote) Co-Investigator | 1998-2000 |
| Case-control study of squamous cell carcinoma in Southeastern Arizona (Harris) NIH/NCI: CA PO1 Chemoprevention of Skin Cancer (Alberts). Principal Investigator of subproject | 1995-1996 |

State

Current

| | |
|---|-------------|
| Chronic disease in an Arizona Native American community (Brown) | 2011 –2013. |
| Arizona Biomedical Research Commission | \$299,992 |
| Co-investigator | 10% |

Past

| | |
|--|---------------|
| Reporting Melanoma to Arizona Cancer Registry Arizona Department of Health Services Principal Investigator | 2013 |
| Survey of School Administrators and School Nurses(Ernst) Maricopa County Health Department Co-investigator | 5/2011-7/2011 |
| HPV Infection in Men (HIM) Study: A Prospective Cohort Study | 2002-2005 |

Arizona Disease Control Research Commission
Principal Investigator for Year 3

Social Indicators Study: State Prevention Needs Assessment Studies: Alcohol and other Drugs
Governor's Office for Children, Youth, and Families (Harris) 2002-2004
Principal investigator

Increasing Physical Activity in Seniors: Mini-Grant in Healthy Aging 2001-2004
Arizona Department of Health Services (Block)
Co-investigator

Role of high tea consumption in the modulation of DNA oxidative damage in smokers
Arizona Disease Control Research Commission (Hakim/Harris) 1999-2002
Co-principal investigator

Social Indicators Study: State Prevention Needs Assessment Studies: Alcohol and other Drugs
Arizona Department of Health Services (Gray/Harris) 1999-2001
Co-principal investigator

Effect of Smoking on Persistent HPV Infection among Reproductive Age Women
Arizona Disease Control Research Commission (Giuliano)
Co-Investigator 1996-1999

Needs Assessment Update for Maternal and Child Health in Mohave County
Mohave County Health Department (Hakim/Harris) 1997 & 1999
Co-principal investigator

Increasing Smoking Cessation Rates in Arizona. Physician-directed intervention programs
Arizona Disease Research Commission (Greene/Harris) 1993-1995
Co-investigator

Private

Current

Development Funds for Skin Cancer Institute, Arizona Cancer Center 2005-2013
Co- Director, Skin Cancer Institute at Arizona Cancer Center

Past

Natural Killer Cell Receptor Immunogenetic Variability and Susceptibility to
Persistent HPV Infection
Better Than Ever Fund – AZCC 2006-2007
Principal Investigator

A Placebo-controlled, dose-ranging study of quadravalent HPV VLP Vaccine 2000-2003
in 16-23 year old females.
Merck and Co., Inc. (Giuliano)
Co-investigator

Recruitment Strategies and Questionnaires for a Community Cohort 1998-1999
Canyon Ranch Restricted Funds: Health Promotion and Lifestyle Project Grants.
Co-Principal Investigator

Pilot of the Living Well Health Promotion Club 1999
Canyon Ranch Restricted Funds: Health Promotion and Lifestyle Project Grants.
Principal Investigator

| | |
|--|-----------|
| Tea consumption and the risk of squamous cell carcinoma Unilever Corporation (Hakim) Co-Investigator | 1998-1999 |
| Skin cancer as a risk factor for subsequent cancer Halle Bequest Grant from Arizona Cancer Center (Harris). | 1996-1997 |

TEACHING

Course Director

| | |
|---|--------------|
| EPI596A: Basic Principles of Epidemiology | 1995-2003 |
| EPID596B: Epidemiologic Methods | 1995-2009 |
| EPID696A: Epidemiology Seminar | 2006-2011 |
| EPID670: Chronic Disease Epidemiology | 2008-present |
