

CURRICULUM VITAE

NAME: Marylyn Morris McEwen, Ph.D., PHCNS-BC, FAAN

CHRONOLOGY OF EDUCATION:

<u>Dates Attended</u>	<u>Institution</u>	<u>Degrees Conferred</u>
1972 - 1976	The University of Arizona Tucson, AZ	BS, Nursing
1994 - 1997	The University of Arizona Tucson, AZ	MS, Nursing
1999 - 2003	The University of Arizona Tucson, AZ	PhD, Nursing

MASTERS THESIS: *Family Adaptability, Family Cohesion, Spirituality and Caregiver Strain in Women As Caregivers of Elder Kin*
Chair: Mary A. Alexander, ED.D., R.N.

DISSERTATION: *Mexican Immigrants Understanding and Experience of Tuberculosis Infection*
Chair: Jody Glittenberg, PhD, RN, FAAN

Major Fields:

Clinical: Community and Public Health Nursing: Interprofessional practice and education, Workforce Development along the U.S.-Mexican border

Research: Community based interventions to reduce health disparities in chronic diseases (diabetes) for Mexican Americans

Methodological: Community based participatory research focusing on building community capacity and social and human capital

Certification: Clinical Specialist in Community Health Nursing, 1991-2016
Certification Number 0149352

CHRONOLOGY OF EMPLOYMENT:

CLINICAL PRACTICE

<u>Employer</u>	<u>Title</u>	<u>Dates</u>
Kino Community Hospital Tucson, Arizona	Program Producer Clinical Nurse	June 1979-June 1980 June 1976-June 1979
University Medical Center Tucson, Arizona	Head Nurse	June 1980-February 1983
The University of Arizona College of Medicine AZ Center on Aging	Research Specialist	July 1984-January 1985

CHRONOLOGY OF EMPLOYMENT: ACADEMIA

<u>Employer</u>	<u>Title</u>	<u>Dates</u>
University Medical Center Home Health Tucson, Arizona	Staff Nurse (Per Diem)	December 1988-1995
Kino Community Hospital Tucson, Arizona	Staff Nurse/Occ Med Staff Nurse (Per Diem)	September 1999 - May 2000 May 1989-June 1990
Pima Community College	Associate Faculty	January 1983-May 1984
The University of Arizona College of Medicine PCM	Research Specialist	January 1985-August 1987
The University of Arizona College of Nursing	<u>Non-Tenure Track</u>	
	Teaching Associate Lecturer	August 1987-August 1990 August 1990-June 1993
	Senior Lecturer	August 1993-June 1999
	Associate Specialist: (doctoral student)	July 1999-June 2003
	<u>Tenure Track</u>	
	Associate Professor, tenure eligible	July 2003 – June 2009
	Associate Professor, with tenure	July 2009 – present
The University of Arizona Mel & Enid Zuckerman College Of Public Health	Associate Professor Non-tenure eligible	October 2012 - present
The University of Arizona College of Nursing	Gladys E. Sorensen Endowed Professor Diabetes Research & Education	April 2013 - present

HONORS AND AWARDS:HONORS:**Scholarships/Traineeships**

- 1999-2001 Predoctoral Fellowship Award. NINR, National Research Service Award, T-32.
Community-Based Interventions, The University of Arizona, College of Nursing.
- 2000 Lois Prossor Scholarship Award.
- 2001-2003 Predoctoral Individual National Research Service Award, "Mexican Immigrants'
Perception of Tuberculosis Infection". National Institute of Nursing Research, NIH.
- 2002 Spaulding Doctoral Scholarship Award.
- 2002, 2003 Beverly McCord Doctoral Scholarship Award; Zuber Scholarship Award.
- 2011 Bootman Faculty Scholarship in Interprofessional Education, The University of
Arizona.

AWARDS:

- 1990 Provost Teaching Improvement Award for development of a media program to provide instruction for conducting a physical examination and neuro-developmental screening specific to the school age child. (Targeted for the school nurses).
- 1990, 1991 Arizona Department of Education Annual School Health Nursing Awards- Outstanding Contribution to School Health Services Program and School Nurses
- 1994 Sigma Theta Tau, Beta Mu Chapter, Award for Excellence in Education.
- 2003 Outstanding Dissertation Award, The University of Arizona College of Nursing.
- 2003 Alumni Council Award. The University of Arizona. College of Nursing.
- 2003 Outstanding Graduate Student Poster Award, American Public Health Association, Public Health Nursing Section, San Francisco, CA.
- 2004 Suzanne Van Ort Peer Award for Graduate Teaching, The University of Arizona, College of Nursing.
- 2004 New Investigator Travel Award, The International Union Against Tuberculosis and Lung Disease in North American Region, 8th Annual Conference. Austin, TX. Presented poster of dissertation findings, *Therapeutic Challenges at the US-Mexico Border: Treating LTBI in Mexican Immigrants*
- 2006 Tucson's Fabulous Fifty Nurses Award.
- 2006 Public Health Nursing Creative Achievement Award, American Public Health Association Public Health Nursing Section.
- 2009 Fellow, American Academy of Nursing (FAAN)
- 2012 Award of Distinction for Excellence in Leadership, Sigma Theta Tau, Beta Mu Chapter.
- 2013 Extraordinary Faculty Award, The University of Arizona Alumni Award.
- 2013 Nominated for Outstanding Chapter President, Arizona Nurses Association.

HONOR SOCIETY:

Sigma Theta Tau, Beta Mu Chapter 1978-present

SERVICE/OUTREACH: (Last 5 years only)**OUTREACH:****Local/State Outreach:**

American Public Health Association, Session Moderator	2004-present
Developed/organized US-Mexico Border Health Symposium HRSA Grant 1 D09HP03116-01	2006, 2007

GRANTS and CONTRACTS:

FEDERAL: Education Grants

- | | |
|--------------------|---|
| 10/01/94 - 9/30/97 | Slack, M.K. & McEwen, M.M. (1994). Grants for Interdisciplinary Training for Health Care in Rural Areas. (50%), Co-Principal Investigator) HRSA, 1 D36 AH10033. (Direct costs:\$655,119) |
| 10/01/97 - 9/30/00 | Slack, M.K. & McEwen, M.M. (1997). Grants for Interdisciplinary Training for Health Care in Rural Areas. (50%), Co-Principal Investigator) HRSA, 5 D36 AH10033. (Direct costs: \$588,834). |
| 10/01/00 - 9/30/03 | Slack, M.K. & McEwen, M.M. (2000). Grants for Interdisciplinary Training for Health Care in Rural Areas. (50%), Co-Principal Investigator) HRSA, 2 D36 AP10033. (Direct costs: \$745,959) |
| 10/01/03 - 9/30/06 | Slack, M.K. & McEwen, M.M. (2003). Grants for Interdisciplinary Training for Health Care in Rural Areas. (50%), Co-Principal Investigator) HRSA, 5 D36 HP10033. (Direct costs: \$827,295). |
| 7/01/04 – 6/30/07 | Effken, J., Verran, J., Lamb, G., & McEwen, M.M. (2003). Enhancing an Online PhD Program. (20% Co-Investigator) HRSA. Direct costs: \$687,790). |

- 08/2009 – 07/2012 Badger, T. Graduate Assistance in Areas of National Need (GAANN) Grant (2009). Enhancing Capacity for Teaching and Research in Nursing (**McEwen** 5%). Department of Education. (Direct costs: \$174,208 per year)
- 06/2012 – 06/2015 Reel, S. Advanced Nursing Education Grant (ANE). (**McEwen** 5%). HRSA (Direct costs: \$ 325,762 per year)

FEDERAL: Research Grants

- 8/01/05 - 5/31/06 **McEwen, M.M.** Promotora-Diabetes Education and Social Support Intervention. (20% PI) (Direct costs: \$20,000). (Feasibility study peer reviewed by the NIH, NINR as part of the College of Nursing Center Grant: Center for Injury Mechanisms and Related Responses 1 P20 NR07794-04, K. Moore, PI)
- 2/01/06 -01/30/07 **McEwen, M.M.** (2006). Promotora-Diabetes Direct costs: \$32, 987) (Feasibility Study peer reviewed as part of the College of Public Health NIH/NCMHD 5P60MD000155-04, C. Rosales, PI)
- 2/01/2007- 1/31/08 **McEwen, M.M.** (2006). Promotora-Diabetes Social Support Intervention: Sunnyside & Elvira (P-DESSI SE) (5% PI, Direct costs: \$6,200). Feasibility Study peer reviewed College of Public Health NIH/NCMHD 5P60MD000155-04, C. Rosales, PI).
- 3/01/10-2/29/12 Vincent, D. & **McEwen, MM.** (2009). Feasibility of a Diabetes Prevention Intervention in Mexican-Americans (McEwen 5% Co-Investigator). R32 NIH. DK085195. (Direct costs:\$250,000)
- 4/01/11–11/30/15 **McEwen, M.M.** Decreasing Diabetes Disparities:Building Mexican American Family Social Capital. (PI, 30%). R01 NIH, National Institute of Minority Health and Health Disparities. 1R01MD005837-01A1. (Direct costs: \$250,000 per year)
- 5/1/10-4/30/14 DeVon, H. The Influence of Gender on Symptom Characteristics during Acute Coronary Syndrome. (**McEwen, M.M.** Consultant) R01 R012012 (University of Illinois, Chicago).

STATE: Education Grants

- 7/01/07–7/30/08 Slack, M.K. & **McEwen, M.M.** (2007). *Visionary Interprofessional Health Sciences Training in Arizona (VIHSTA)*. (20% Co-PI) Arizona Area Health Education Center (AHEC). To refine and extend our HRSA-funded interprofessional training program for health science students and faculty from The University of Arizona and Northern Arizona University and staff from two regional AHEC offices (Southeast Arizona Area Health Education Center in Nogales and Northern Arizona Area Health Education Center in Flagstaff) and with staff from the Navajo Nation. (Direct costs: \$500,000).
- 7/01/08– 07/30/09 Slack, M.K. & **McEwen, M.M.** (2008). *Visionary Interprofessional Health Sciences Training in Arizona (VIHSTA)*. (20% Co-PI) Arizona Area Health Education Center. To refine and extend the VIHSTA interprofessional program for health science students in five rural Arizona counties and staff at two additional regional AHEC offices (Eastern Arizona AHEC in Globe and Greater Valley AHEC in Western Phoenix). (Direct costs: \$499,834)
- 9/01/09 – 9/30/10 Slack, M.K. & **McEwen, M.M.** (2009). *Visionary Interprofessional Health Sciences Training in Arizona (VIHSTA)*. (20% Co-PI) Arizona Area Health Education Center. Sustainability of program in four regional AHEC Offices. (Direct costs: \$150,000)
- 9/01/2011-9/30/2012 Slack, M.K. & **McEwen, M.M.** (2011-2012). *Visionary Interprofessional Health Sciences Training in Arizona (VIHSTA)*. (20% Co-PI) Arizona Area Health Education Center. To build infrastructure for sustainability of program in four regional AHEC Offices. (Direct costs: \$150,000)

INTRAMURAL:

7/03 - 06/04 McEwen, M.M. (2004). Mexican Immigrants Explanatory Model of Tuberculosis Infection and Treatment. (20%, PI) Laurence B. Emmons Research Award, The University of Arizona, CON. (\$10,000)

INDUSTRY None

PRIVATE FOUNDATIONS:

2009-2010 Slack, M.K. & **McEwen, M.M. (Co-PIs)**. An Exploratory Study of the Effects of an Interprofessional Student Training Program on Community Resilience. (15% Co-PI). Arizona St. Luke's Health Initiative. (\$36,000)

WORKS IN PROGRESS:

08/2013 Dokken B., **McEwen, MM. (Co-PI)**, Rosenfeld, A. Co-management of Type 2 Diabetes and Ischemic Heart Disease in Mexican American Women. **Under Review:** Sarver Heart Center, (Requested \$200,000).

11/27/2013 **McEwen, MM. & Rosenfeld, A. (Co-PIs)**. Acceptability and feasibility of the diabetes and cardiac symptom survey for Mexican American women with co-occurring type 2 diabetes mellitus (T2DM) and coronary artery disease (CAD) symptoms. **Under Review:** Laurence B. Emmons Research Award, The University of Arizona, CON. (Requested \$12,135).

Dokken B., Denninghoff K., Oliva I., **McEwen MM.(Co-I)** & Rosenfeld A. Effects of GLP-1R agonist (liraglutide, exenatide, or exenatide extended-release) on symptomatic ischemia in Hispanic type 2 diabetic women with chronic angina due to coronary microvascular dysfunction. In response NIH, NINR. Planned Submission Date 2014.

Rosenfeld, A., **McEwen, MM. (Co-PI)**, & Dokken, B. A mixed methods exploratory study to: (Phase I) improve understanding of symptom recognition and associated behavioral responses as a cause of health disparities experienced by Latinas with diabetes and ACS and, (Phase II) develop and evaluate a culturally tailored intervention. In response to PA-13-288, Understanding and Reducing Health Disparities (R21) NIH, OBSSR. Planned Submission Date: Summer, 2014.

Graduate Student Committees

Dissertation

- 2005 (Minor Chair, Dissertation Member), Susan M. Yount, PhD. Dissertation title: Use of *Manzanilla* tea during the childbearing period among women of Mexican origin who reside within the US-Mexico border region.
- 2005 (Member), M. Elizabeth Greenberg, PhD. Dissertation title: The process of care delivery in telephone nursing practice: A grounded theory approach.
- 2006 (Minor Chair), Martha Brownfield Baird, PhD. Dissertation title: Well-being of refugee women experiencing cultural transition.
- 2006 (Minor Chair), Young Mi Kang, PhD. Dissertation title: Help seeking of aging Korean-American women with urinary incontinence.
- 2006 (Minor Chair), Kathleen Hall, PhD. Systems theory and change theory for community-based gerontological nursing interventions.
- 2006 (Minor Chair), Elizabeth Thomas.
- 2006 (Member), Marjory D. Williams, PhD. Dissertation title: Construction and initial evaluation of a systems model of nursing best practice from a complexity science perspective.
- 2006 (Member), Terri Jean Farmer. Dissertation title: Adolescent Depression: Experiences and meanings of being parented and parenting.
- 2007 (Minor Chair), Kimberly Flaherty Shea, PhD. Dissertation title: Sociotechnical influences on outcomes in telehomecare.
- 2008 (Member), Jody Rae Lori, PhD. Dissertation title: Cultural childbirth practice, beliefs, and traditions in Liberia.
- 2008 (Member), Mary M. Benham-Hutchins, PhD. Dissertation title: The Influence of information technology on multiprofessional communication during patient handoff.
- 2009 (Chair) Anne Rentfro (defended 2009). Dissertation title: Self-esteem, self-efficacy, hope, health promoting behavior and insulin resistance in Mexican American adolescents.
- 2010 (Member), Veronica Vital (defended 11/27/2013). Dissertation title: Experiences and perceptions of adults of Mexican origin with hyperglycemic values that exceed the threshold of diabetes.
- 2010 (Member), Sue Anderson (defended 12/2011). Physical activity as health promotion in Mexican American families.
- 2010 (Member), Moonju Ko (defended 11/14/2013). Cancer screening practice of Korean-Americans.
- 2010 (Minor Chair), Tanya Sorrell. Minor paper title: Mental health issues & practices in US-MX border region.
- 2010 (Member), Patricia Speaks (defended 11/2012). African American women's perception of obesity.
- 2010 (Chair) Rudolfo Valenzuela (defended 2010). Dissertation title: Exploring the understanding of pre-diabetes and the possibility of developing diabetes among Mexican Americans at the US-Mexico border.
- 2010 (Co-Chair) Wanda Larson (defended 04/18/2011). Dissertation title: Team member characteristics contributing to high reliability in emergency response teams managing critical incident situations: A naturalistic inquiry.
- 2010 (Chair) John Bowles (defended 06/10/2013). Dissertation title: The acute myocardial infarction symptom experience of Mexican American Women with coronary heart disease in the US-Mexico Border region.
symptoms of acute myocardial infarction among Mexican American women.
- 2012 (Co-Chair) Kathy Kinsey (in progress). Dissertation title: The heart attack experience of Mexican and Mexican American Women in the US-Mexico border region.
- 2012 (Member), Barbara Hackley. (in progress). Prenatal weight gain: The relationships between food

cravings, dietary intake and weight gain.

- 2013 (Chair) Deborah Williams (in progress). Latent Tuberculosis knowledge, health beliefs and practices among Burmese refugees.

Practice Inquiry: Doctorate of Nursing Practice Committees

- 2010 (Chair), Audrey Russell-Kibble (defended 04/09/2011). On grieving the death of a child: An ethnography of the cultural influences on grief in Mexican American parents.
- 2010 (Member), Jason Timothy Shuffitt (defended 03/2011). Utilization and influence of health information technology on Kentucky advanced practice registered nurses clinical decision making.
- 2010 (Chair), Angela Armenta (in progress). Gestational Diabetes among Mexican American women: A program evaluation.
- 2011 (Chair), Anna Cruz (in progress). Type 2 Diabetes among Natives of Guam: A program evaluation.
- 2013 (Chair), Janet Bennett (defended proposal 11/19/2013). Comprehensive diabetic foot examination of American Indians with Type 2 Diabetes: A Program Evaluation.
- 2013 (Chair), Noria Brice (in progress). Factors in seeking emergent treatment for symptoms of acute coronary syndrome in the American Indian population.
- 2013 (Chair), Maria Chavez (in progress). Program evaluation: Improving diabetes self-management among Hispanics who seek care at a federally qualified health center.
- 2013 (Chair), Marilda Switlick (in progress). Partnering with a Latino Leadership Council to determine type 2 diabetes self-management barriers among Latinas in northern California.
- 2013 (Member), Irene Naputi (in progress). Perception of barriers to engagement in prevention of occupationally acquired hearing loss.
- 2013 (Member), Ivy Radcliffe (in progress). Micronutrient deficiencies among persons with Type 2 diabetes who have had surgical bypass for weight loss: A systematic review of the literature.
- 2013 (Chair), Claudia Davila (in progress).
- 2013 (Chair), Lauren, Alexi Rae (in progress).
- 2013 (Member), Kendra Sanderson (in progress)

HONORS THESIS

- 2008 (Chair) Amanda Radcliffe, BSN. (defended 05/2009). The relationship between diabetes-related distress and physiologic outcomes: A secondary analysis.
- 2010 (Chair) David Eisenbise (defended 04/18/2011). Diabetes collective efficacy among Mexican American families.
- 2010 (Co-Chair, University of Bologna, Italy), Marco Penazzi (defended 04/2011). Diabetes collective efficacy: Instrument translation.
- 2013 (Chair) Leslie Streeter (in progress).

SIGNED STATEMENT BY CANDIDATE

This is a true and accurate statement of my activities and accomplishments. I understand that misrepresentation in securing promotion or reappointment may lead to dismissal or suspension under ABOR Policy 6-201 J.1.b.
