# PBC College-Prioritized Curriculum Spaces

Each of the following PBC entities retain the rights to the corresponding college-prioritized curriculum spaces during the first phase of scheduling, as listed the PBC Classroom Scheduling Timeline.

After the first phase of scheduling is complete, these spaces will then be released and available times can be requested by other non-prioritized PBC associates.

PBC Scheduling does not "Bump" (move) sessions that are already scheduled for another entity. If a user wants space that is already scheduled for another group, they can directly contact that reservation owner and request this change. If an agreement is reached between the two parties, PBC Scheduling can step in and help.
